

DAVINCI MAILBOX

www.bouseart.net

Want to make a postal carrier's day? First, neuter that pit bull. Second, install a DaVinci Mailbox. This all-stainless-steel creation from designer Ginger Finley will last years without rusting, and features identical doors on both ends to eliminate stepping into the street to get your correspondence. This high-end box, also available in a dark bronze finish, is an eye catcher not just for its looks, but its girth; the mailbox is a foot-and-a-half tall and nearly two feet deep. \$425

ESPRESSO-FLAVORED TOOTHPASTE

www.breathpalette.com

Wait a second... *espresso*-flavored toothpaste? Yes, finally, an interim state between morning breath and coffee breath. Sort of. Breath Palette is a new brand of toothpaste imported from Japan, and espresso is just the tip of the flavor parade. Pastes are available in Tropical Pineapple, Lemon Tea, Pumpkin

L33T TILES

www.leettiles.com

What if scientists could combine the awesome nerdiness of *Scrabble* with the overwhelming dorkiness of leetspeak? Well, prepare to change your pocket protector, because this is the geekiest gadget we've ever seen. Yes, these are replacement tiles for *Scrabble* that allow players to spell words like PR1NGL3Z and L0N3LYPH4NB0Y in what could only be described as the saddest game since Klingon Pictionary. \$15
